

# Program Interventions for Preconception, Prenatal, and Interconception Care

**Title: Building a Bridge from Birth to Conception: Focusing on Women during Inter-Conception**

## **Presenter:**

Peggy Vander Meulen, MSN, RN  
Program Director  
Strong Beginnings – Healthy Start  
Grand Rapids, MI  
peggy.vandermeulen@spectrumhealth.org

## **Highlights**

- Women with an adverse birth outcome are more likely to have an adverse outcome in a subsequent pregnancy. Supporting women with access to family planning, wellness programs and a medical home can improve birth outcomes.
