

Tidal Wave of Change: Healthy Start Sustainment

Presenter: Jan Figart and Corrina Jackson

Presentation Objectives

- Describe maternity medical home, its elements, and potential outcomes
- Crosswalk the Healthy Start quality measures with NCQA, and CMS quality measures
- Analyze potential engagement of Healthy Start in the private and public health care arena for Healthy Start sustainment, and improved health outcomes.

Highlights

- Care coordination and case management of Healthy Start is duplicative to the physician requirements in medical home. To reduce duplication, Healthy Start can become a viable provider of the service on behalf of the physician by understanding the similarities and areas to improve our work to be a part of the new health care environment.
