Preconception/Interconception Services Offered at Your Healthy Start Program

Discuss the questions with your supervisor or at a staff meeting with your team about which services or activities our Healthy Start program offers or makes available to our Healthy Start participants. Then fill out the grid to keep a record of what you discussed.

1. What is our Healthy Start program's goal for participants in offering preconception/interconception services? How do these services benefit our participants?

2. What kinds of preconception/interconception services or activities does our Healthy Start program offer/make available to our Healthy Start participants? **Check all that apply.**

   ☐ Reproductive life planning

   ☐ Contraception counseling and referral

   ☐ Referrals for preconception or interconception care

   ☐ Group education

   ☐ Other (describe)

3. For *each* service/activity above that we offer, discuss the following:

   • Does our Healthy Start team provide the service directly or refer the participant to someone who does?

   • Who on our Healthy Start team is responsible for offering or coordinating the service?

   • What is our Healthy Start community health worker's (CHW's) role in providing this service?

   • Who do we go to if we have questions about this service?

4. Any other questions about preconception/interconception services offered by our Healthy Start program, or about CHW's role(s) in providing these services.
