

Prenatal Services Offered at Your Healthy Start Program

Discuss the questions with your supervisor or at a staff meeting with your team about which services your Healthy Start program offers or makes available to your Healthy Start participants. Then fill out the grid to keep a record of what you discussed.

1. What are our Healthy Start program's goals for our participants who are pregnant (prenatal)? How do our services benefit our prenatal participants?

2. Do we use a particular curriculum in our work with pregnant women?
If yes, specify.

3. What kinds of prenatal services or activities does our Healthy Start program offer/make available to our Healthy Start participants? **Check all that apply.**

<input type="checkbox"/> Home visits with participants who are pregnant	<input type="checkbox"/> Screening for intimate partner violence
<input type="checkbox"/> Enrollment in health insurance	<input type="checkbox"/> Screening for depression
<input type="checkbox"/> Breastfeeding support	<input type="checkbox"/> Referrals for other needed services (such as WIC, housing services, alcohol/drug treatment services)
<input type="checkbox"/> Connection with a doula	<input type="checkbox"/> Other
<input type="checkbox"/> Program or group for fathers/partners	

4. For **each** service/activity above that we offer, discuss the following:
 - Does our Healthy Start team provide the service directly or refer the participant to someone who does? If refer, who do we refer to?
 - Who on our Healthy Start team is responsible for offering or coordinating the service?
 - What is our Healthy Start community health worker's (CHW's) role in providing this service? What is the Healthy Start CHW responsible to do related to this service?
 - Who do we go to if we have questions about this service?

5. Any other questions about prenatal services offered by our Healthy Start program, or about CHW's role(s) in providing these services.
