

Organizations and Programs that Provide Health Care, Social Services and Support

Resources in Our Community for Women, Children and Families

Find out as much as you can about organizations in your Healthy Start service area that support the health and basic needs of pregnant women, infants, children and families. Seek out and visit programs in your community. Ask Healthy Start team members, friends and family, and your Healthy Start participants for their ideas. Use this worksheet to keep a list of what you find out.
