

AGENDA

ENGAGING AND EXPANDING HEALTHY START LEADERSHIP AND QUALITY IMPROVEMENT INSTITUTE AGENDA

NOVEMBER 18-19, 2014

INSTITUTE PURPOSE:

The Leadership and Quality Improvement Institute provides a forum for launching the collaborative work between the Healthy Start EPIC Center Team and the Healthy Start Leadership and Mentoring Grantees. The purpose of the Institute is to enhance the Healthy Start program by creating an environment that fosters participation and engagement, and establishes the Healthy Start Leadership and Mentoring Grantees as a cohort.

INSTITUTE OBJECTIVES:

1. Describe the role of Leadership and Mentoring Grantees as a part of the complex Healthy Start system of care and services
2. Describe a model for systems change and quality improvement to serve as a foundation for further development throughout the Healthy Start Collaborative Innovation and Improvement Network (HS CollIN)
3. Identify strengths of Leadership and Mentoring Grantees that align with Healthy Start Program benchmarks
4. Describe communication guidelines and next steps for learning collaboratives
5. Identify specific educational and training needs for Leadership and Mentoring Grantees

THE FOLLOWING OUTCOMES WILL BE ACHIEVED:

- Introduction of shared models and language
- Identification and establishment of a process for collaborative engagement between the Healthy Start EPIC Center and Leadership and Mentoring Grantees
- Identification of preliminary educational and training needs for Leadership and Mentoring Grantees
- Identification of the strengths of Leadership and Mentoring Grantees, which will provide a basis for pairing them with learning collaboratives and coupling their expertise with other Healthy Start grantees for technical assistance and mentoring support.

Institute objectives will be accomplished using a variety of learning strategies, including whole-group sessions, small group discussions, and individual reflective exercises.
