

Healthy Start EPIC Center

Catalog of Webinars

Throughout the year, the Healthy Start EPIC Center produces and hosts professional development webinars open to all Healthy Start staff, on maternal and child health topics and best practices. Recordings of all webinars are posted to healthystartepic.org where they are available for viewing on demand, along with transcripts, slides and supplemental materials.

This catalog provides links to the Healthy Start EPIC Center’s archived webinars, produced in project period 2014-2019. Webinars are listed by category, in descending order by date (most recent first). Webinars with the * symbol feature a HS grantee as a presenter.
